Insemination Report

- This section to be completed by the recorded owner or authorized agent of mare.
- Mares registered in the Jockey Club must send a copy of both sides of the registration certificate.
- All foals resulting from transported frozen or cooled semen must be parentage-verified before the registration may be completed.
- The mare owner is responsible for returning the insemination report to the APHA Field Services Department within 10 days after insemination.
- Please retain a copy for your records
- For more information, please call MemberCare at (817) 222-6423.

Second Insemination Date: _____ / _____ / _____ Time: _____: _____ a.m. p.m.

I am the recorded owner or authorized agent (on file at APHA) of the above-referenced mare and I certify that the above information is correct. Further, I agree to abide by Rule RG-115 of the *Official APHA Rule Book*. A copy of the rule can be found at www.apha.com/forms/rulebooks. I understand that the use of proper technology for shipping and using transported semen is the responsibility of the owners of the stallion and the mare involved. APHA, its directors, officers and employees assume no responsibility for the success or failure of the breeding process. Breeding contracts are contracts between the stallion and mare owners only.
